11. **Any other item with the permission of the Chair**

Increase in the No. Of new members

The House was apprised that renewal of membership in the current year was made in as many as 1735 cases which is almost equal to the last year whereas it should have been much more than the previous year as a result of new membership registered during the preceding year. The funds generated through this mode of renewal do not coincide with our enhanced requirement for the sake of early completion of construction of Chamber's own building. It is therefore, need of the time that we may concentrate on new membership so as to ensure substantial increase in the income of the Chamber to meet the cost of construction.

The meeting was then adjourned with a vote of thanks by the President.

(Muhammad Tariq Awan),
Secretary General SCCI
